PRESIDENT'S MESSAGE

The rebuilding process of the club at Lurline Street, Katoomba is well underway.

The club recently purchased the cottage at 4 Merriwa Street, Katoomba and this additional area of land will allow a much larger club to be built.

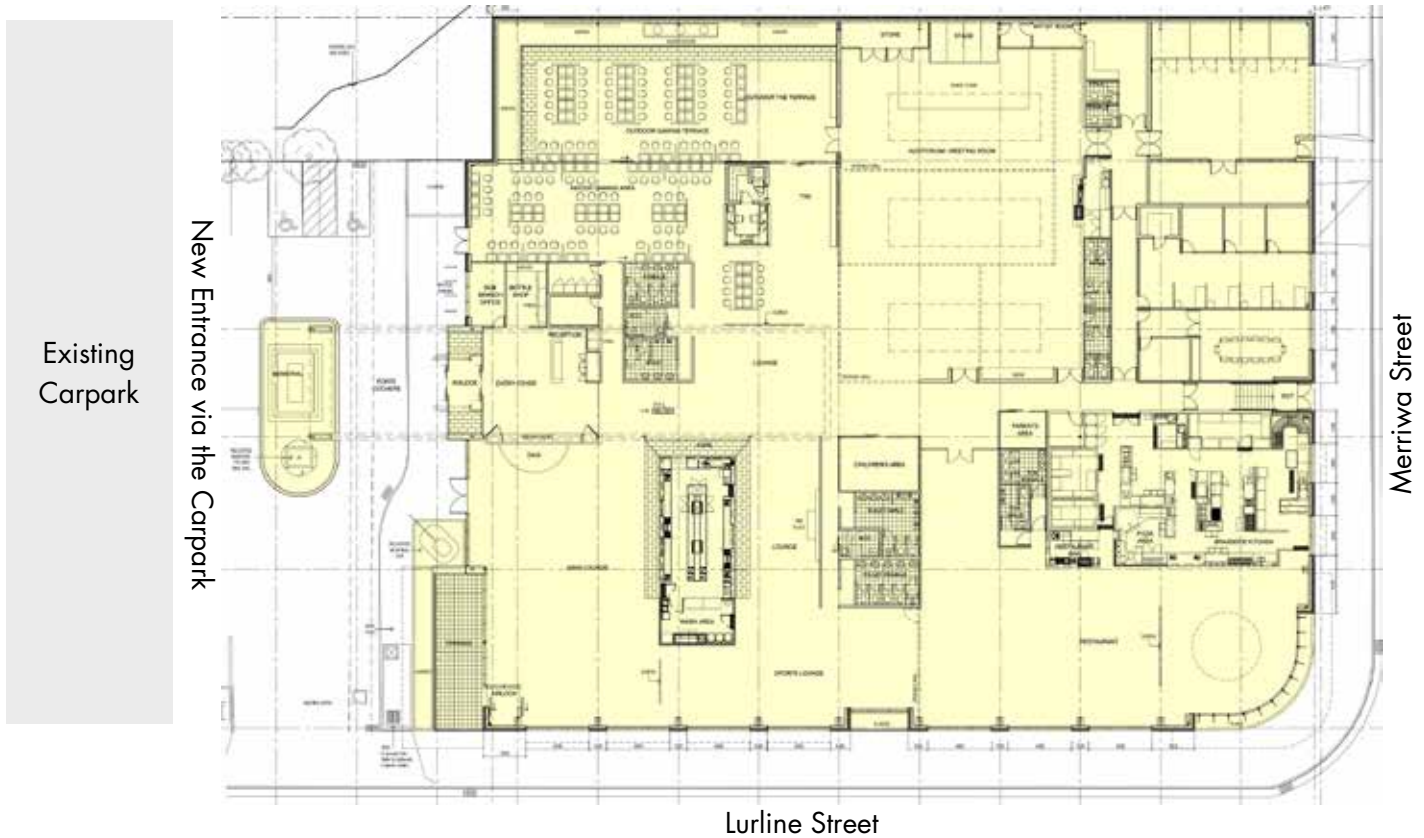

The Development Application has been submitted to Blue Mountains City Council for the necessary approvals and the club expects to commence building in early November 2017 and is looking towards a completion date in late 2018.

Below is the outline plan of the rebuild together with photos of the expected exterior high level finish.

The plan outlines for the entrance to the club directly from the carpark, the relocation of the restaurant to the Merriwa Street corner and the relocation of the Community War Memorial to within the boundary of the car park.

Once the Council and other government approvals have been obtained more detailed information will be issued. Wentworth Falls Bowling Club is trading well and I encourage members to take advantage of the quality low cost meals and other facilities.

**Brian Turner RFD
President**

Vision Statement: Our Vision is to strive to communicate effectively with our Members, serve the Blue Mountains community and commit to making our Clubs an enjoyable and memorable experience for Members and guests.

Mission Statement: Our mission is to focus on our distinctive strengths and to use these to achieve our goal of excellent customer service and staff training and the provision of high quality, safe and friendly facilities for Members, guests and staff. This commitment will allow us to fulfill our future goals to Members and guests by providing an enjoyable and memorable experience at all our Clubs.

MESSAGE FROM THE CEO

Community Spirits of all ages are on a high, knowing the plans and re building process has now begun. Questions are finally being answered as we close in to our final preparations. Please do not hesitate to call our Katoomba office on 4782 2624 or alternatively email members@katoombarsl.com.au

President Brian and I were fortunate to be invited by Principal Mark Geerling and students from St Canice's Primary School on Thursday 27th July to watch and hear a presentation conducted by students from years 2, 3 and 4. The individual presentations were of the students' point of view of what should be included in the design of the members' new RSL Club. We gained some great insights and value from their thoughts and recommendations. The school's booklet will be displayed in our new memorabilia cabinet.

We will be distributing correspondence soon to inform members that their membership has been automatically renewed in grace with 3 years complimentary membership. Our new membership system means new cards so if you haven't done so already we invite you to visit our Administration Office (location details page 4) to update your photo and details and to be issued with your new card.

Our Kids Christmas Tree will continue again this year. We have inserted the form and encourage you to complete and return it by Thursday 23rd November. The date for the Kids Christmas Tree will be on Saturday 9th December 2017 at 11.00am at Wentworth Falls Bowling Club, including Santa and his presents, face painting and a jumping castle. Friday the 15th we will be conducting a Ham and Turkey raffle starting 6.00pm at Wentworth Falls Bowling Club, (keep this date free). I thank members again for your patience during this long process.

Nick Darias
Chief Executive Officer

Preparations for the new club began with soil samples being taken on the site
